

## Utah Outdoor Recreation Grant Program Awards 2022

The Governor's Office of Economic Opportunity and the Utah Office of Outdoor Recreation recently announced \$10.9 million of matching grant funding for 85 recreation projects throughout 23 unique counties in Utah. The recipients are listed below.

### Regional Asset Tier

Awards up to \$500,000 for large and regionally significant projects

	<p><b>City of West Jordan: \$500,000</b>  <b>Ron Wood Park - Bike &amp; Skate Park Facility</b>  <b>Total Project Value: \$2,736,118.00</b></p> <p>Ron Wood Park is a 72 acre regional park with basketball, pickleball, and tennis courts, five baseball fields, playgrounds, a splash pad, a walking trail, and multiple pavilions. The next phase of park development will add a new bike park and a skate park.</p>
	<p><b>Richfield City: \$450,00</b>  <b>Richfield City - Bike Park Phase 1, Sevier County</b>  <b>Total Project Value: \$900,000</b></p> <p>Phase 1 of the Richfield City Bike Park project located in Sevier County will consist of an approximately 23,000 square foot paved pump track. The track will be part of an overall larger plan to revitalize the existing Centennial Park located in Richfield into a focused bike park attraction.</p>
	<p><b>Stokes Nature Center: \$300,00</b>  <b>Cache Valley Nature Park and Accessible Recreation for All, Cache County</b>  <b>Total Project Value: \$2,575,560.00</b></p> <p>The facility will be built on a property already owned by the nature center, free to visit, available to partner organizations to host their own projects, and feature a wealth of new programming that is either free or low-cost to benefit residents and visitors alike.</p>
	<p><b>Tracy Aviary: \$500,000</b>  <b>Tracy Aviary Jordan River Nature Center Phase II, Salt Lake County</b>  <b>Total Project Value: \$7,650,580.00</b></p> <p>Phase II of Tracy Aviary's Jordan River Nature Center (JRNC) significantly. New assets include: Observation Tower, Wildlife Viewing Blind, Nature Trail Network, Pavilion, Nature Play Areas and a wide array of wildflower and pollinator gardens, and landscaping that provide habitat to birds and insects</p>

	<p><b>Bountiful City: \$500,000</b>  <b>Bountiful Trails Master Plan, Davis County</b>  <b>Total Project Value: \$3,596,141.00</b></p> <p>Bountiful City Trails Master Plan is a project being designed and coordinated between Bountiful City, Davis County, the USFS and IMBA to expand Bountiful's multi-use trail system in the foothills and throughout the city by over 50 miles.</p>
	<p><b>Helper City: \$500,000</b>  <b>Helper River Restoration Phase VI, Carbon County</b>  <b>Total Project Value: \$1,736,096.00</b></p> <p>Phase VI Helper River Restoration serves as both the beginning and end of Helper City's ongoing efforts of utilizing our natural assets to build sustainability. This phase represents the critical "start point" of introducing locals and guests to the restoration of a 3-mile stretch of the river and riparian corridor.</p>
	<p><b>CDRA-Mt Pleasant City: \$500,000</b>  <b>Mt Pleasant to Spring City Multi-Use Paved Trail Phase II, Sanpete County</b>  <b>Total Project Value: \$2,100,000</b></p> <p>This project is Phase II construction of a regional multi-purpose trail from the south end of the community of Mt Pleasant to the north end of Spring City in Sanpete County.</p>
	<p><b>Lehi City: \$500,000</b>  <b>Dry Creek Recreation Area, Utah County</b>  <b>Total Project Value: \$10,094,765.22</b></p> <p>This project includes the construction of a 21-acre/6-million-gallon reservoir, 25,000 sq ft of sandy beach area, paved and unpaved trails (including connections to the Murdock Canal Regional trail), and over 200 off-street parking stalls.</p>
	<p><b>Iron County: \$200,000</b>  <b>Cedar Mountain Winter Recreation Project, Iron County</b>  <b>Total Project Value: \$1,746,707.00</b></p> <p>This project will enhance winter recreation opportunities for both motorized and non-motorized uses on Cedar Mountain located off Scenic Highway 14. These improvements will provide high quality winter recreational experiences, while promoting economic benefits for local businesses in rentals, guides, and sales of snowmobiles, sleds, and cross-country skis.</p>
	<p><b>Mountainland Associates of Government: \$500,000</b>  <b>Provo River Parkway, Wasatch County</b>  <b>Total Project Value: \$34,404,650.00</b></p> <p>We have cycling and hiking paths that nearly connect, more than halfway, through this canyon. Now we have a plan to complete the last few miles in the heart of the Provo River's gorge. Help us fund this last five miles through the narrowest breathtaking section to the trail head at Deer Creek Dam.</p>

	<p><b>Trails Utah: \$500,000</b>  <b>PVRD Trail Networks--Spring Hollow Phase II, Washington County</b>  <b>Total Project Value: \$2,400,000.00</b></p> <p>Phase II of the Spring Hollow project is part of the larger Pine Valley Ranger District Trails Network undertaking. Phase II is an extension of Phase I trails and includes six trail segments totaling 11 miles. Phase II also includes the development of a trailhead and parking area, Pit Zone, as well as a dispersed camping area.</p>
<p><b>Regional Asset</b></p>	<p><b>Total funding of \$4,650,000 for 11 projects</b></p>

## UORG Tier 1

For new recreation infrastructure projects with awards from \$10,001 to \$150,000

	<p><b>Utah Athletic Foundation, dba Utah Olympic Legacy: \$11,250</b>  <b>Soldier Hollow Mountain Bike Riding &amp; Instruction Trails, Wasatch County</b>  <b>Total Project Value \$36,650.00</b></p> <p>Part A: Build and promote gravity learning lines to support beginner and intermediate mountain bike and e-bike lessons. Part B: Soldier Hollow will also add 3-4 miles of cross country trails to our existing infrastructure to provide a more complete riding center.</p>
	<p><b>Alpine City: \$76,925.75</b>  <b>Lambert Park Bonneville Shoreline Trail Connector, Utah County</b>  <b>Total Project Value: \$153,851.50</b></p> <p>UORG tier 1 funds will be used to build a section of the Bonneville Shoreline Trail in Northern Utah county. The multi-use asphalt trail will provide the needed connection from Lambert Park Trail system to the northern Alpine trails, which connect to Draper City trails and USFS trail heads</p>
	<p><b>Trails Utah: \$50,000</b>  <b>Grandeur Peak Segment of the Bonneville Shoreline Trail, Salt Lake County</b>  <b>Total project cost: \$110,000</b></p> <p>This trail project will construct two miles of new Bonneville Shoreline Trail (BST) on the west flank of Grandeur Peak. This critical new trail section will connect the west end of the Pipeline Trail in Millcreek Canyon, to the lower Quarry Trail accessed via the Grandeur Peak Trailhead. This will create a continuous BST segment from Millcreek Canyon to Parleys Canyon.</p>

	<p><b>Beaver County: \$200,000</b>  <b>Beaver Bench Mountain Bike Trail Phase 4 and NICA Mt. Bike Course, Beaver County</b>  <b>Total Project Value: \$414,248.00</b></p> <p>1. Phase 4 of the Beaver Bench mountain bike trail will add an additional 4 miles of single track to the existing trail 2. Create an NICA compliant course adjacent to the Beaver Bench Mountain Bike trail that will be used for high school mountain biking events.</p>
	<p><b>Zion Natl Park Forever Project: \$132,000</b>  <b>Establishing a more permanent solution to East Mesa Trailhead, Kane County</b>  <b>Total Project Value: \$289,400.00</b></p> <p>On August 24th, 2019, a massive rockfall fell, causing the closure of Weeping Rock, Hidden Canyon, East Rim Trail, and Observation Point. Through the East Mesa Project, visitors will have the infrastructure to aid recreation and guidance to stay within park boundaries.</p>
	<p><b>Mountainland Associates of Government: \$200,000.00</b>  <b>Final Phase of the Homestead Trail, Wasatch County</b>  <b>Total Project Value: \$430,260.00</b></p> <p>This final phase of the Homestead Trail finishes our largest loop and accomplishes our goal of a completed network of non motorized paths into, out of, and around our town.</p>
	<p><b>Access Fund: \$65,00</b>  <b>Indian Creek Climbing Conservation Initiative Ph2, San Juan County</b>  <b>Total Project Value: \$145,000.00</b></p> <p>The Access Fund's Indian Creek Climbing Conservation Initiative will launch a multi-year effort to develop sustainable trail access and stabilize cliff side recreation areas throughout the Indian Creek Unit of Bears Ears National Monument.</p>
	<p><b>Francis City: \$76,400</b>  <b>Francis City Bike Park, Summit County</b>  <b>Total Project Value: \$434,738.40</b></p> <p>Francis City is building a master-planned 4.5-acre bike park. The park will include two pumptracks, a series of jump lines, a skills loop, perimeter walking path, restroom, parking, landscaping, and fencing. Connecting trail systems will intersect with this park.</p>
	<p><b>Salt Lake County Parks and Recreation: \$200,000</b>  <b>Butterfield Canyon - Phase II Trails, Salt Lake County</b>  <b>Total Project Value: \$682,000.00</b></p> <p>The Butterfield Canyon - Phase II Trails project will develop a final design, permitting, and construction of approximately 28 miles of new multi-purpose, non-motorized trails constructed within Upper Butterfield Canyon.</p>

	<p><b>Town of Garden City: \$200,000</b>  <b>Paradise Parkway Multi-Use Trail, Rich County</b>  <b>Total Project Value: \$490,000.00</b></p> <p>Garden City's existing paved pedestrian trail system is enhanced and enlarged with this project. This new trail connects existing trails with the Bear Lake Health Clinic, Garden City's Library, swimming pool, food pantry, Office of tourism, City offices, and recreational opportunities on City property.</p>
	<p><b>Kanab City: \$50,000</b>  <b>Kanab City Connector Trail Trailhead, Kane County</b>  <b>Total Project Value: \$135,355.00</b></p> <p>This project will construct a trailhead at the recently completed paved connector trail covering the distance from Terrell Drive in Kanab City, all the way to Jackson Flat Reservoir, encircled by the picturesque expansive landscape of the vermillion cliffs.</p>
	<p><b>City of Bluffdale: \$200,000</b>  <b>Day Ranch Bike and Skate Park, Salt Lake County</b>  <b>Total Project Value: \$1,799,593.07</b></p> <p>This almost 20 acre park includes an innovative combination skate park and pump track, mountain bike skills course and jump lines, and a bike playground to challenge riders of all skill levels and ages.</p>
	<p><b>Huntsman Mental Health Institute: \$100,000</b>  <b>Huntsman Mental Health Institute (HMHI) ROPES Course Rebuild, Salt Lake County</b>  <b>Total Project Value: \$253,106.90</b></p> <p>HMHI ROPES is seeking funding to assist in the construction of a new, universally-accessible, ADA-compliant challenge course to replace our current aging course. HMHI ROPES is one of only two low/high challenge courses within minutes from downtown Salt Lake City.</p>
	<p><b>San Juan County: \$70,300</b>  <b>San Juan County Event Center Fairground Campground, San Juan County</b>  <b>Total Project Value: \$140,600.00</b></p> <p>The Event Center will be used all year round; the Event Center will have 12 camping stalls adjacent to the Event Center for participants attending Rodeo, school events, and entertainment events.</p>
	<p><b>Utah Open Lands Conservation Association: \$45,010</b>  <b>Bonanza Flat Aspen Deck, Wasatch County</b>  <b>Total Project Value: \$100,142.90</b></p> <p>The current structure is in disrepair; we propose replacing the deck with safer and sturdier materials, as well as creating an ADA compliant structure, and trail to expand the value and conservation experience to an even broader audience.</p>

	<p><b>Friends of Cedar Mesa: \$43,517.09</b>  <b>Bears Ears National Monument Visitor Infrastructure Development, San Juan County</b>  <b>Total Project Value: \$87,034.18</b></p> <p>FCM will partner with the USFS to install visitor service infrastructure at Lewis Lodge, Doll House and Dry Wash cultural sites within Bears Ears National Monument. Services include designated parking areas, trail heads, signage, and will protect sensitive cultural sites and increase tourist infrastructure in the region.</p>
	<p><b>Kane County Water Conservancy District: \$150,000</b>  <b>Phase IV Jackson Flat Reservoir Recreation, Kane County</b>  <b>Total Project Value: \$360,000.00</b></p> <p>The first project is a ropes course system to complement the bouldering rock system already installed. KCWCD has designed a spider-web like system requiring several different pre-manufactured rope apparatuses. The second project is a permanent dock for fishermen at the reservoir.</p>
	<p><b>Trails Utah: \$75,000</b>  <b>Paiute Trail--Phase II, Washington County</b>  <b>Total Project Value: \$150,000.00</b></p> <p>Phase II of Nung'wu Poa, as it is called, translated as "the Paiute Trail," is a project that will create a new, approximately 2-mile long trail that leaves from Springdale's George A. Barker River Park and climbs up onto a hill or low mesa just west of Zion Canyon and Zion National Park.</p>
	<p><b>Weber County: \$81,540.36</b>  <b>Ogden Valley Wayfinding Signage - Phase II Pedestrian/Bicycle, Weber County</b>  <b>Total Project Value: \$214,090.55</b></p> <p>This project is a comprehensive pathway and trail signage system for all consistently used pathways and trails in the Ogden Valley, with an emphasis on how to get to/from pathways and trails from key community villages and recreation destinations.</p>
	<p><b>West Valley City Parks &amp; Recreation Dept: \$191,565.00</b>  <b>Utah and Salt Lake Canal Trail System Outdoor Challenge Course, Salt Lake County</b>  <b>Total Project Value: \$384,565.00</b></p> <p>This project will fund the construction of a Challenge Course, including a timed race feature, located on the Utah and Salt Lake Canal Trail System and slightly west of the Mountain View Corridor Trail System and provide signage, benefitting numerous individuals and families.</p>

	<p><b>City of West Jordan: \$200,000.00</b>  <b>West Jordan Big Bend Project - Trails &amp; Habitat Installation, Salt Lake County</b>  <b>Total Project Value: \$1,002,500.00</b>          When complete, the Big Bend Urban Fishery and Habitat Restoration Project will provide a 4.3-acre urban fishing pond, trails, and riparian and river habitat for a variety of plant and animal species.</p>
	<p><b>Cedar City Rotary Club: \$145,750.00, Iron County</b>  <b>Canyon Water Park</b>  <b>Total Project Value: \$537,573.44</b>          This project will include recreation features for those with all-abilities and feature the heritage and history of water use in our valley, including that of the local indigenous peoples, the Cedar Band of Paiutes.</p>
	<p><b>Salt Lake County Parks &amp; Rec: \$173,000.00</b>  <b>Jordan River Water Trail-2100 South (Surplus Canal) Portage, Salt Lake County</b>  <b>Total Project Value: \$347,000.00</b>          This project aims to develop a portage on the Jordan River at the Surplus Canal Diversion Dam so as to improve the safety and navigability of the river at the subject location.</p>
	<p><b>Bear Lake Regional Commission: \$70,000.00</b>  <b>Bear Lake Overlook Trail System, Rich County</b>  <b>Total Project Value: \$140,000.00</b>          The Bear Lake Overlook Trail is a 4-5 mile native substrate trail system designed for non-motorized use for visitors and residents to the area to enjoy the beauty the Bear Lake Valley has to offer.</p>
	<p><b>Layton City Parks &amp; Recreation Department: \$150,000.00</b>  <b>Adams Canyon Trailhead Improvements - Renewal, Davis County</b>  <b>Total Project Value: \$1,101,567.96</b>          This project's goal, which has been coordinated alongside UDOT's Highway 89 Improvements Project, has been to improve and expand the parking lot, as well as include amenities at the trailhead for a restroom facility, lighting, a kiosk with informational trail signage and moderate landscaping improvements.</p>

	<p><b>Roosevelt City Corporation: \$150,000</b>  <b>Cottonwood Creek Trail Phase II (AKA Roosevelt City Nature Park), Duchesne County</b>  <b>Total Project Value: \$315,000.00</b></p> <p>Phase II of the Cottonwood Creek project will focus primarily on improvements to the Nature Park area. This will include the completion of paved and dirt trails within the park, the construction of the fishing pond and restroom, pavilion and other park improvements.</p>
	<p><b>Iron Trailcraft Inc.: \$60,000</b>  <b>Enoch Bench Trails System, Iron County</b>  <b>Total Project Value: \$130,000.00</b></p> <p>Iron TrailCraft and the BLM Cedar City Field Office are partnering to construct approximately 3.6 miles of quality, purpose built mountain biking, running &amp; hiking trails establishing a new trail system in Enoch.</p>
	<p><b>Mantua Town Parks and Trails committee: \$137,900.00</b>  <b>Mantua Maple Springs Park, Bicycle Trailhead &amp; Winter Wonderland: Box Elder County</b>  <b>Total Project Value: \$278,875.56</b></p> <p>Mantua, UT (Box Elder County) is located on Hwy 91 in Sardine Canyon between Brigham City and Logan. Mantua has a breathtaking 360 degree view of mountains. This plan will link all these trails together with the trailhead/nexus being Maple Springs Park.</p>
	<p><b>Millcreek: \$200,000.00</b>  <b>Millcreek City Hall Climbing Wall, Salt Lake County</b>  <b>Total Project Value: \$433,800.00</b></p> <p>As part of the MillCreek City Common, Millcreek is building a climbing wall on the northeast corner of Millcreek City Hall to draw community members to the Common and provide a plethora of different outdoor recreation activities for the community to use and enjoy.</p>
	<p><b>Gunnison G Hill and Trails Committee: \$80,000.00</b>  <b>G Hill Trail System Phase 4: Southern Connection, Sanpete County</b>  <b>Total Project Value: \$160,002.53</b></p> <p>The Southern Connection (Phase 4: Segment A) of the G Hill Trail System will install an asphalt trail to connect the 3600 feet between the River Walk and the South Gate of the G Hill Recreation Area. and then a two mile Mountain Bike/Walking Trail will then connect walkers/bikers from the South Gate to the Six-mile Bike Trail that is currently under construction.</p>

	<p><b>Tread Lightly!: \$33,969.60</b>  <b>Sand Hollow OHV Composting Toilet, Washington County</b>  <b>Total Project Value: \$81,768.20</b></p> <p>These funds will be used to purchase and install a composting toilet on Sand Mountain in the Sand Hollow Off Highway Vehicle (OHV) Area managed by the BLM St. George Field Office.</p>
	<p><b>Brian Head Town: \$191,640.62</b>  <b>Brian Head Town Trail Phase III, Iron County</b>  <b>Total Project Value: \$425,281.25</b></p> <p>Construction of an extension of the existing Brian Head Town Trail (which currently runs along the west side of the valley floor) to create a loop running along the east side of the valley floor in Brian Head.</p>
	<p><b>Tooele County Trails Committee: \$50,000.00</b>  <b>Settlement Canyon Trail, Tooele County</b>  <b>Total Project Value: \$138,400.00</b></p> <p>This project aims to construct a single-track class 3 trail that will connect the new Tooele City Wigwam Park to Tooele County's Dark Trail in Settlement Canyon.</p>
	<p><b>Cache County: \$135,000.00</b>  <b>Deep Canyon Trailhead, Cache County</b>  <b>Total Project Value: \$715,215.00</b></p> <p>Requested funding will be utilized for Deep Canyon trailhead amenities and connector trail, including signage, a vault toilet, and installation costs.</p>
	<p><b>Santaquin City: \$60,500.00</b>  <b>Prospector View Park &amp; Trailhead Phase I, Utah County</b>  <b>Total Project Value: \$171,243.00</b></p> <p>Prospector View Park &amp; Trailhead Phase 1 will establish the hub for trail access in Santaquin Canyon. It will consist of a trailhead with trail access to north and south of the road accessing 125 acres of city lands and hundreds of acres of Federal and State land.</p>
	<p><b>Morgan City: \$78,826.74</b>  <b>Commercial Street Trail, Morgan County</b>  <b>Total Project Value: \$157,653.48</b></p> <p>The Commercial Street Trail will be a 6-ft wide asphalt trail traversing east to west along Commercial Street, ending at the Commercial Street Bridge.</p>

	<p><b>Utah Valley Trails Alliance: \$51,000.00</b>  <b>Timpanogos Foothills Trail Reconstruction, Utah County</b>  <b>Total Project Value: \$148,505.00</b></p> <p>This project improves and formalizes designated trails in the Timpanogos Foothills area on heavily used public lands. This includes improving and rerouting existing trails to manage erosion and improve usability, as well as adding quality signage throughout the system and closing unofficial social trails.</p>
	<p><b>Sevier County: \$150,000.00</b>  <b>North Sevier Bike Path, Sevier County</b>  <b>Total Project Value: \$1,649,991.70</b></p> <p>The "North Sevier Bike &amp; Multit-use pathway" will be a 2.85 mile 10' wide asphalt pathway. This path will connect the communities of Salina and Redmond for the first time other than a State highway.</p>
	<p><b>Spiro Alternative - Seldom Seen Trail, Summit County</b>  <b>Mountain Trails Foundation: \$42,240.00</b>  <b>Total Project Value: \$84,480.00</b></p> <p>Seldom Seen Trail will be a 2-mile, intermediate, downhill directional bike-only trail serving one of Park City's most popular routes between Armstrong trail and the resort base area.</p>
	<p><b>Salt Lake County Parks &amp; Recreation: \$76,000.00</b>  <b>Decker Lake - Pavilions, Salt Lake County</b>  <b>Total Project Value: \$152,000.00</b></p> <p>This work on this project generally consists of installing three, 10'x10' picnic pavilions, and 100 foot ADA asphalt path from the existing parking lot to an existing walking path at Decker Lake, West Valley City.</p>
<p><b>UORG Tier 1</b></p>	<p><b>Total funding of \$4,654,335.00 for 41 projects</b></p>

## **Recreation Restoration Infrastructure**

For maintenance and repair of already in-place infrastructure capping at \$150,000

	<p><b>Con"Tent" Campers, Emery County</b>  <b>Legal Name of Organization: Con"Tent" Campers: \$149,100.00</b>  <b>Total Project Value: \$418,600.00</b></p> <p>This project seeks to improve developed camping opportunities within Emery County. This project seeks to update aging camping amenities, remediate a campground that was impacted by a flash flood, and provide modernized camping opportunities to the public.</p>
---	--

	<p><b>City of Moab: \$150,000.00</b>  <b>Pack Creek Trail Bridge, Grand County</b>  <b>Total Project Value: \$349,695.00</b></p> <p>A key linkage in the Moab trail system that crosses Pack Creek washed out in a '100-year storm' that flooded Moab last August. This project will replace the trail bridge along with bringing it up to current standards.</p>
	<p><b>Ogden Nature Center: \$115,948.00</b>  <b>Ogden Nature Center Picnic Grove Renovation, Weber County</b>  <b>Total Project Value: \$413,506.40</b></p> <p>The RRI match will add an improved walking/nature trail creek bridge; leveling/widening/surfacing existing Picnic Grove trails for improved access; upgrading seating/fire pits; renovating 2 treehouses and adding a bridge connecting the treehouse towers used for viewing nature/wildlife.</p>
	<p><b>City of North Salt Lake: \$57,750.00</b>  <b>Porter's Landing Concrete Boat Ramp, Davis County</b>  <b>Total Project Value: \$115,500.00</b></p> <p>This project includes the replacement of the boat ramp at the Porter's Landing Boat Takeout on the Jordan River with a hard-surfaced (concrete) boat ramp.</p>
	<p><b>Alpine City: \$21,616.50</b>  <b>Alpine Poppy Trail Restoration, Utah County</b>  <b>Total Project Value: \$43,233.00</b></p> <p>Lambert Poppy Trails are some of the oldest trails in Lambert Park dating back to the 1960's, attracting outdoor enthusiasts from the entire state, including horseback riders, hikers and mountain bikers. The trail restoration project will rehabilitate, restore and rebuild the infrastructure needed to maintain and sustain these trails.</p>
	<p><b>Beaver County: \$150,000.00</b>  <b>Minersville Lake Campground Phase 2, Beaver County</b>  <b>Total Project Value: \$307,400.00</b></p> <p>This project is the second of a multiple phase project of upgrading existing, dilapidated buildings and expanding the facilities to meet the growing demand for use of the campground</p>
	<p><b>Cottonwood Canyons Foundation: \$44,000.00</b>  <b>Cottonwood Canyons Trail Restoration Project, Salt Lake County</b>  <b>Total Project Value: \$92,000.00</b></p> <p>Working with the US Forest Service, CCF will conduct heavy deferred maintenance and build rock stairs and structural support on seven trails, many of which are amongst the most highly-used in the Wasatch.</p>

	<p><b>Lindon City: \$110,447.75</b>  <b>Lindon City Horse Arena Improvements, Utah County</b>  <b>Total Project Value: \$232,895.50</b></p> <p>The proposed project will make improvements to the existing Lindon City horse arena. Improvements will include widening the arena and reconstruction of the riding surface to provide proper drainage.</p>
	<p><b>Utah Open Lands Conservation Association: \$26,433.82</b>  <b>Riparian Restoration of Bloods and Lackawaxen Lakes, Wasatch County</b>  <b>Total Project Value: \$52,867.65</b></p> <p>This project aims to restore the riparian areas of both Bloods and Lackawaxen lakes to a healthy, functioning ecosystem while providing the infrastructure for continued recreational use with a smaller ecological footprint.</p>
	<p><b>Salt Lake Climbers Alliance: \$45,000.00</b>  <b>Wasatch Rock Climbing Routes, Salt Lake County</b>  <b>Total Project Value: \$111,900.00</b></p> <p>The Salt Lake Climbers Alliance's goal is to replace antiquated fixed anchors with stainless steel hardware on highly trafficked climbing routes with professional work at height climbing technicians.</p>
	<p><b>Utah State University Utah Conservation Corps: \$149,800.00</b>  <b>Uinta-Wasatch-Cache National Forest Trail Restoration 2023-2024, Summit County</b>  <b>Total Project Value: \$318,940.00</b></p> <p>The Uinta-Wasatch-Cache National Forest Trail Restoration 2023-2024 project will provide 69 miles of trail maintenance on the Forest in 2023 and 2024. Five-person Utah Conservation Corps (UCC) crews will work with Forest Services staff a total of 35 weeks to complete this maintenance.</p>
	<p><b>Salt Lake County Parks and Recreation: \$75,000.00</b>  <b>Parleys Trail East Maintenance, Salt Lake County</b>  <b>Total Project Value: \$150,000.00</b></p> <p>This section of trail between Tanner Park and the freeway is one of the earlier segments of the Parley's Trail completed in 2004. Many bicyclists and pedestrians have enjoyed use of this trail. The pavement has seen better days and is in need of maintenance to keep users safe.</p>
	<p><b>Richfield City: \$150,000.00</b>  <b>Richfield City - FR096 Reconstruction, Sevier County</b>  <b>Total Project Value: \$435,150.00</b></p> <p>Forest Road 96 serves as a major arterial for the Paiute ATV Trail System and the Pahvant Mountain Bike Trail System. Reconstruction of the roadway and trailheads including grinding, culvert installation, grading, and gravel surfacing is intended to allow shuttle access to the newly constructed mountain bike trails and better access to the existing atv trails.</p>

	<p><b>Davis County Government: \$150,000.00</b>  <b>Denver &amp; Rio Grande Rail Trail Resurfacing Project, Davis County</b>  <b>Total Project Value: \$506,009.75</b></p> <p>The D&amp;RG Rail Trail is an 18 mile paved section of the larger Golden Spoke Regional Trail system which stretches from Ogden Canyon to Provo Canyon. The trail is now 12 years old and in need of joint and crack seal followed by a seal coat to help preserve its life.</p>
	<p><b>Trails Foundation of Northern Utah: \$75,645.00</b>  <b>Trail System Restoration in Weber County, Weber County</b>  <b>Total Project Value: \$151,514.60</b></p> <p>Trails Foundation of Northern Utah will repair, maintain, and reconstruct the Bonneville Shoreline Trail and Ogden Valley Trails system. The project helps older trails to meet today's standards and better equips them to handle the ever-increasing traffic –allowing horses, hikers, runners, and bikers.</p>
	<p><b>Garfield County: \$60,000.00</b>  <b>Red Canyon Recreation and Trails Improvement, Garfield County</b>  <b>Total Project Value: \$145,500.00</b></p> <p>This project will replace 3 stick build toilets with new CXT vault toilets, repair 4 major trails, and replace signage throughout the entire trail area.</p>
<p><b>Recreation Restoration Infrastructure</b></p>	<p><b>Total funding of \$1,530,741.00 for 16 projects</b></p>

## Mini-Grant

For smaller recreation infrastructure projects with awards from \$500- \$10,000

	<p><b>Lehi City: \$10,000.00</b>  <b>Dragonfly Disc Golf Course, Utah County</b>  <b>Total Project Value: \$44,441.00</b></p> <p>This course built in a natural environment is designed for players with advanced skills, but will also have options for players of all skill levels in the form of multiple tee pads per hole.</p>
	<p><b>Swaner Preserve &amp; EcoCenter: \$5,117.00</b>  <b>Swaner Preserve Scenic Viewpoint, Summit County</b>  <b>Total Project Value: \$10,235.00</b></p> <p>This project invites Park City's visitors and residents to pause and enjoy the 850-acre wetland parcel of the Swaner Preserve and the sweeping view of the Wasatch Mountains.</p>

	<p><b>Nordic United: \$7,500.00</b>  <b>Smithfield Canyon Winter Trail - Grooming Equipment, Cache County</b>  <b>Total Project Value: \$15,000.00</b></p> <p>The requested \$7,500 along with \$2,500 in donations and a \$5,000 RAPZ grant (already awarded) will allow NU to replace the 20-year old snowmobile it currently uses for grooming in the canyon.</p>
	<p><b>Fairview City: \$1,153.00</b>  <b>Skyline Nordic Track Improvement Project, Sanpete County</b>  <b>Total Project Value: \$2,306.00</b></p> <p>Fairview City, in coordination with members of the Skyline Nordic Club, groom Nordic trails each winter season for use by the community. Grant funding will allow the city to purchase a new tracksetter to replace the 30-year old currently in use.</p>
	<p><b>Hobbie Creek WMA Trail System, Utah County</b>  <b>Hobbie Creek Bicycle Association: \$5,000.00</b>  <b>Total Project Value: \$20,000.00</b></p> <p>This project will fund a 3-mile trail system at the base of Hobbie Creek Canyon. One mile of this trail has already been built with volunteer work from the Hobbie Creek Bicycle Association and Blazing Trailz, LLC.</p>
	<p><b>Nordic United: \$2,700.00</b>  <b>Green Canyon Winter Trail Grooming Equipment, Cache County</b>  <b>Total Project Value: \$5,400.00</b></p> <p>Green Canyon, a five-mile trail (each way), is groomed December through March for use by snow bikers and runners. The funding will allow NU to add needed grooming capabilities while bolstering our existing aging machinery.</p>
	<p><b>Utah's Patchwork Parkway Committee: \$792.67</b>  <b>Hidden Haven Waterfall Trail Emergency Repairs Project, Iron County</b>  <b>Total Project Value: \$1,733.77</b></p> <p>The priority project for this summer is making emergency repairs to the Hidden Haven Waterfall Trail, including removing fallen boulders and trees on the trail to make it accessible.</p>
<p><b>Mini-Grant</b></p>	<p><b>Total funding of \$32,262.67 for 7 projects</b></p>

## Outdoor Classroom

For outdoor classrooms up to \$10,000

	<p><b>Friends of Cedar Mesa: \$9,795.50</b>  <b>Bears Ears Education Center Outdoor Classroom, San Juan County</b>  <b>Total Project Value: \$21,121.00</b></p> <p>The Bears Ears Education Center Outdoor Classroom was initiated in 2021 with support from the Office of Outdoor Recreation.
